

CHAIN GREASE

DESCRIPTION:

Universal lubricant for motorcycle and bicycle chains, drive chains of agricultural machinery, and lifting devices. Has high adhesive properties. Effectively lubricates, forming a protective layer and ensuring smooth operation of chain drives. Reliably protects chains from corrosion, resists water washout, prevents stretching, and extends service life.

Method of application.

It is recommended to clean the surfaces before application. Shake the can. Apply the product to the surface in small doses, remove excess with a dry clean cloth.

Storage conditions.

Keep away from direct sunlight and heating above +50°C! Do not spray near open flames, hot surfaces, or other sources of ignition. Do not inhale, disassemble, or deform! Dispose of used cylinders as household waste! Store at temperatures between -20°C and +50°C. CAUTION: cylinder is pressurized! DO NOT PUNCTURE OR BURN! FIRE HAZARD! Guaranteed shelf life is 5 years from the date of manufacture, provided that storage rules are followed and the packaging remains intact.

BENEFITS:

- For high-speed and heavy-duty drive chains.
- Wear-resistant, heat-resistant grease with high adhesive properties.
- Effectively lubricates, forms a protective layer, and ensures smooth operation of chain drives.
- Easy application and distribution of lubricant along the chain links, ensuring the operation of mechanisms in all operating conditions.

TYPICAL CHARACTERISTICS:

Excess saturated vapor pressure of aerosol can contents at 20 °C	0.2-0.4 MPa, 2.0-4.0 kgf/cm ³
Drying time at 20 (±2) °C	min, not more than 20
Mass fraction of non-volatile substances, %	not less than 20, not more than 45
Relative density at 15 °C, g/cm ³	0.8
Degree of content evacuation from aerosol can, %	not less than 97

Packing	Vendor code	Barcode
Balloon tin 0.4l	026834	4823110408124

STORAGE CONDITIONS:

Do not mix with solvents, automotive fluids. Protect from direct sunlight and precipitation in a closed container at a temperature not exceeding +60°C. In case of contact with skin or mucous membranes, rinse with water. Keep out of reach of children. Flammable. Do not pour into drains, water bodies or onto the soil. Dispose of in specially designated areas.
