

YUKO ID-40

DESCRIPTION:

Universal multi-functional spray lubricant. Lubricates parts, reduces friction, eliminates squeaks, and protects against moisture and corrosion. Effectively cleans surfaces from rust, grease, bitumen contaminants, and adhesive residues. Quickly penetrates, allowing for the release of rusted and seized parts. Neutral to paint coatings, plastics, and rubber.

Method of Application: Shake the can. Spray the lubricant from a distance of 20 cm onto the cleaned surface, allow time for penetration, and if necessary, remove excess with a dry cloth.

Storage Conditions: Keep away from direct sunlight and heating above 50 °C! Do not spray near open flames, hot surfaces, or other ignition sources. Do not inhale, disassemble, or deform! Dispose of the spent can as household waste! Store at temperatures from -20 °C to +50 °C. CAUTION: pressurized can! DO NOT PUNCTURE OR INCINERATE! FLAMMABLE! Guaranteed shelf life is 5 years from the date of manufacture, provided storage rules are observed and packaging remains intact.

BENEFITS:

- Reduces friction, lubricates parts, and eliminates squeaks.
- Protects against corrosion and displaces moisture.
- Effectively cleans surfaces from rust, grease, bitumen, and glue residue.
- Penetrates quickly, helping to free rusted and seized parts.
- Neutral to paints, plastics, and rubber.
- Suitable for a wide range of applications.

TYPICAL CHARACTERISTICS:

Excess pressure in aerosol can at 20 °C	MPa: 0.2-0.5, kgf/cm ³ : 2.0-5.0
Permissible volume fraction of fragrance in internal treatment products, %	not more than 0.9
Viscosity at 20 °C, cP	not more than 500
Relative density at 15 °C, g/cm ³	0.87-0.92
Vapor pressure at 20 °C, kPa	not more than 500
Degree of content evacuation from aerosol can, %	not less than 95
Solubility in water	Insoluble

Packing	Vendor code	Barcode
Balloon tin 0.4l	025962	

STORAGE CONDITIONS:

Do not mix with solvents, automotive fluids. Protect from direct sunlight and precipitation in a closed container at a temperature not exceeding +60°C. In case of contact with skin or mucous membranes, rinse with water. Keep out of reach of children. Flammable. Do not pour into drains, water bodies or onto the soil. Dispose of in specially designated areas.
